Free Access to CCH Labor and Health Cases and Manuals from Your Office

Need to do some extensive
online research in the area of labor
or health law? The library offers
passwords that can be "checked out"
to allow use of the CCH Total
Connect online service anytime,
anywhere.

You can call (330-451-7380) or
stop by the library to request a pass-
word. The password can be used
from any computer, but will expire

at the end of two weeks. The service
offers access to cases and regulations
as well as a variety of manuals
related to health, employment and
labor law, such as the Medicare and
Medicaid Guide, Employment
Practices Guide, Labor Arbitration
Awards and Pension Plan Guide. A
complete list of resources is
available upon request.

Looking for Legislative History?

The law library is a great place
to get that information. Did you
know that we offer the Ohio Capital
Connection online service, which
has committee reports and Legisla-
tive Service Committee analyses for
recent legislation?

For older legislation, the library
has the bill analyses on microfiche,
all the way back to 1961, and bill
text and related testimony back to
1888.

Congratulations New Lawyers!
